

# Hedges

*Dodonaea viscosa* 'Purpurea'

Hopseed Bush

- attractive bronzy foliage and papery seed capsules
- fast grower to 10-15' tall but can be cut to desired height
- fine with low to moderate water

## Escallonia

- attractive glossy green foliage and lots of pink blooms
- compact and dense grower 6-8' tall
- regular water

### *Pittosporum tenuifolium* 'Silver Sheen'

- light airy upright shrub with dark stems and small silvery green leaves.
- grows to 10-15' tall but can be cut to desired height/width
- moderate to regular water

## Rosmarinus 'Tuscan Blue'

### Upright Rosemary

- blue flowers and familiar rosemary scent
- grows 6-7' tall, 1 1/2 to 2' wide
- fine with low water

*Feijoa sellowiana*

Pineapple Guava

- pretty oval green foliage (white on underside) and interesting (edible) flowers, edible fruit too
- grows 18-25' tall but can be cut to desired height
- fine with low to moderate water
